ABOUT VINJAZ

VINJAZ has risen to international DJ as well as electronic circles –and yet he’s far from being done. His career was discovered a passion for mixing and DJ’ing at only 16 years of age while living in South of Vietnam. His passion, ambition, drive and maturity remain unmatched in the world.

VINJAZ has been DJing for 16 years now and has played for the most popular clubs and festivals from Asia to Europe. His on-screen appearances in the many newspapers and interviews in his country Vietnam he was featured in prove that VINJAZ’ relaxed stage presence is not just for display. Backstage, he remains kind and humble, greeting his stage riggers with the same heart-warming hugs as he does his friends, whom he often brings along to his shows.

The music’s energy and drive captivated him, VINJAZ had taught himself how to produce and play his own songs. In 2020, he released music on a leading global music publisher Universal Music Group (Vietnam) and not long after, he released the track that would change everything for him. His originals, edits, bootlegs, and remixes have received immense support from renowned artists such as Manse, Syzz, Mad Mac and Vanillaz. Moreover, it’s an honour for VINJAZ to share the same stage with the biggest names on the planet - Steve Angello, Markus Schulz, Marlo, Fedde Le Grand, Blasterjazz, R3hab, KSHMR, Alan Walker and so many more.

Looking at 2024, the down-to-earth Vietnamese superstar is set to continue his winning streak. He kicked off the year with a performance at Neon Countdown in Thailand, Ultra Bali in Indonesia and Ultra Europe in Croatia.

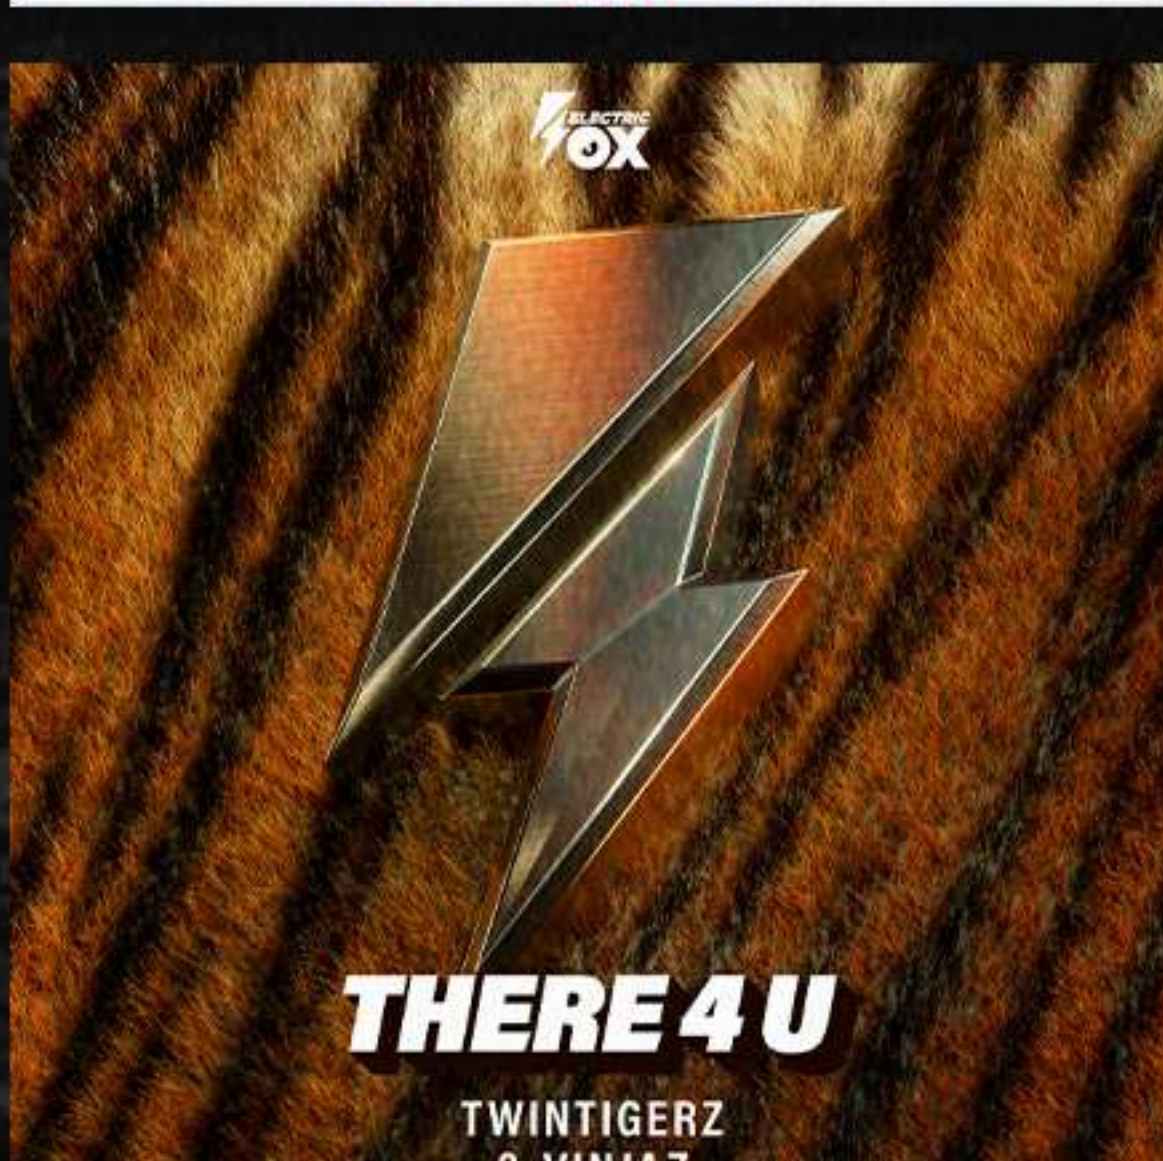

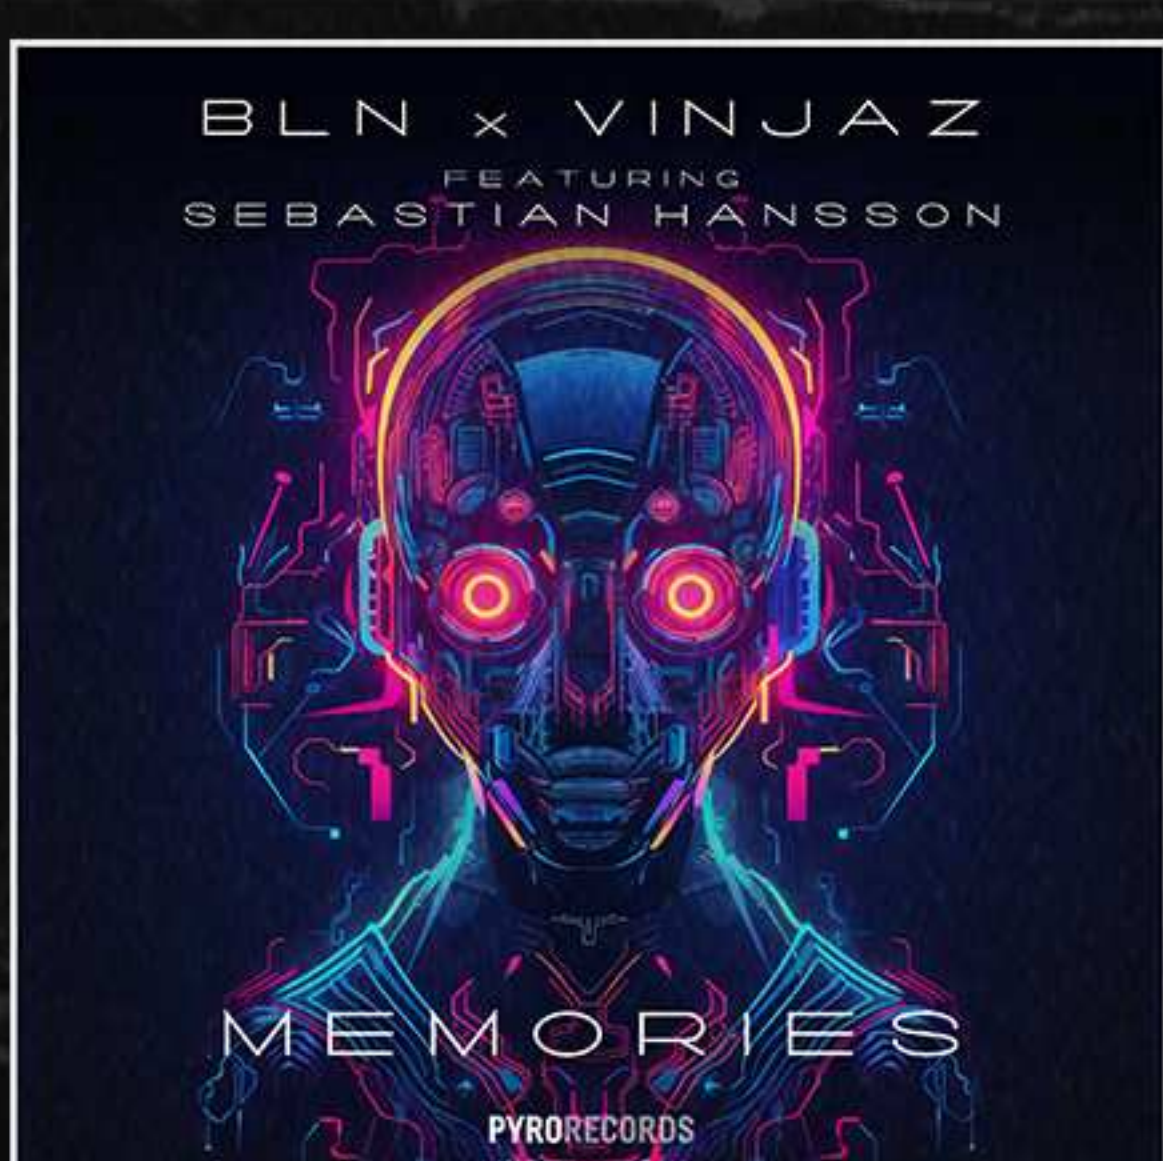

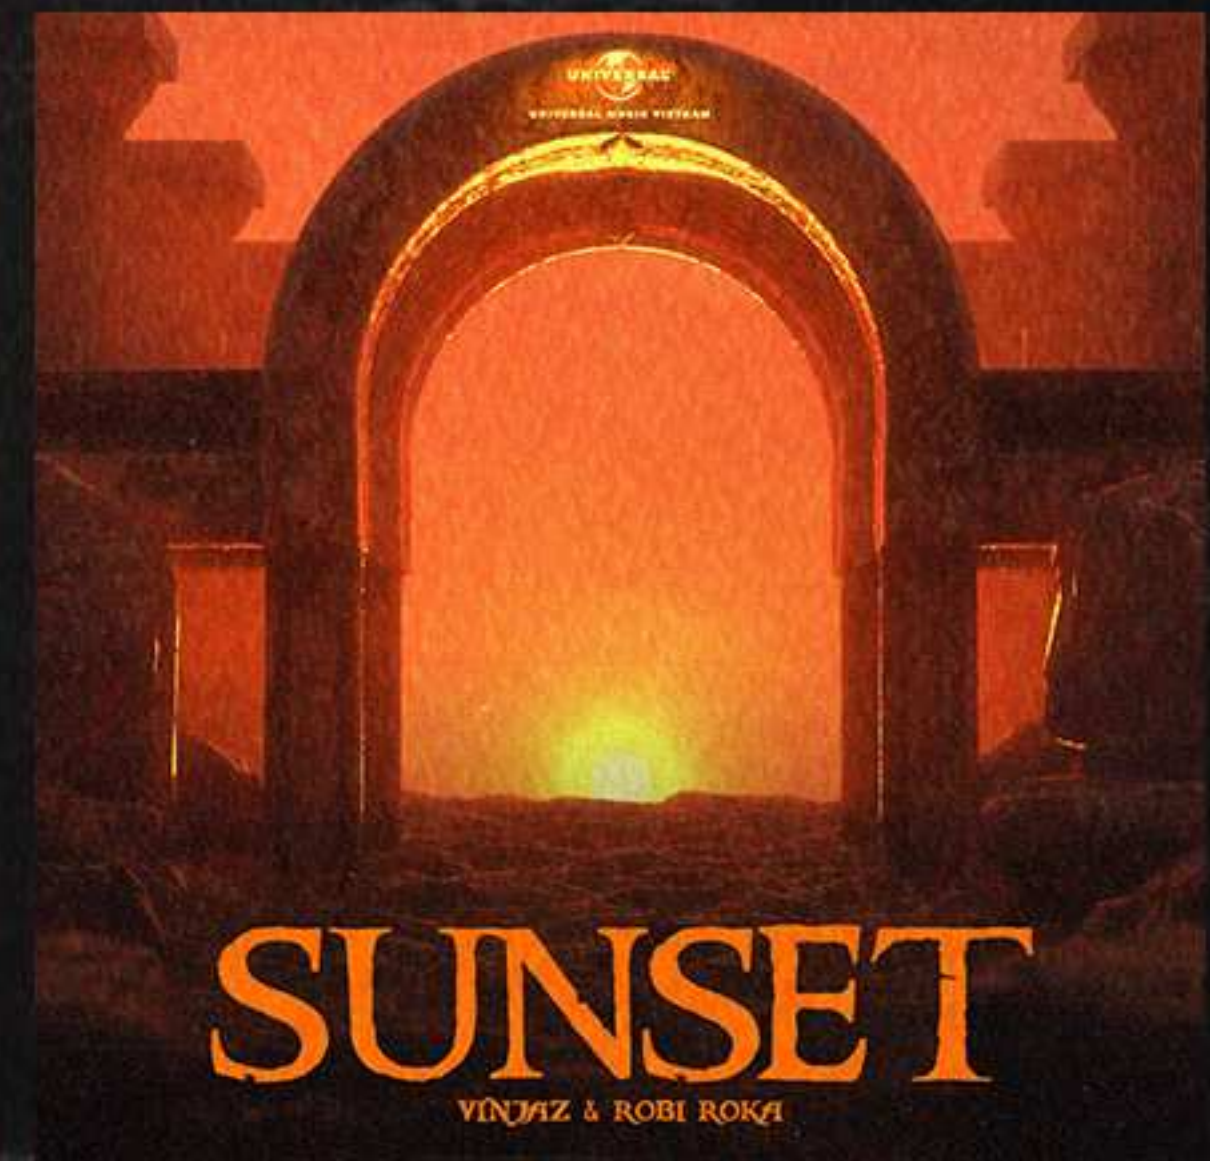

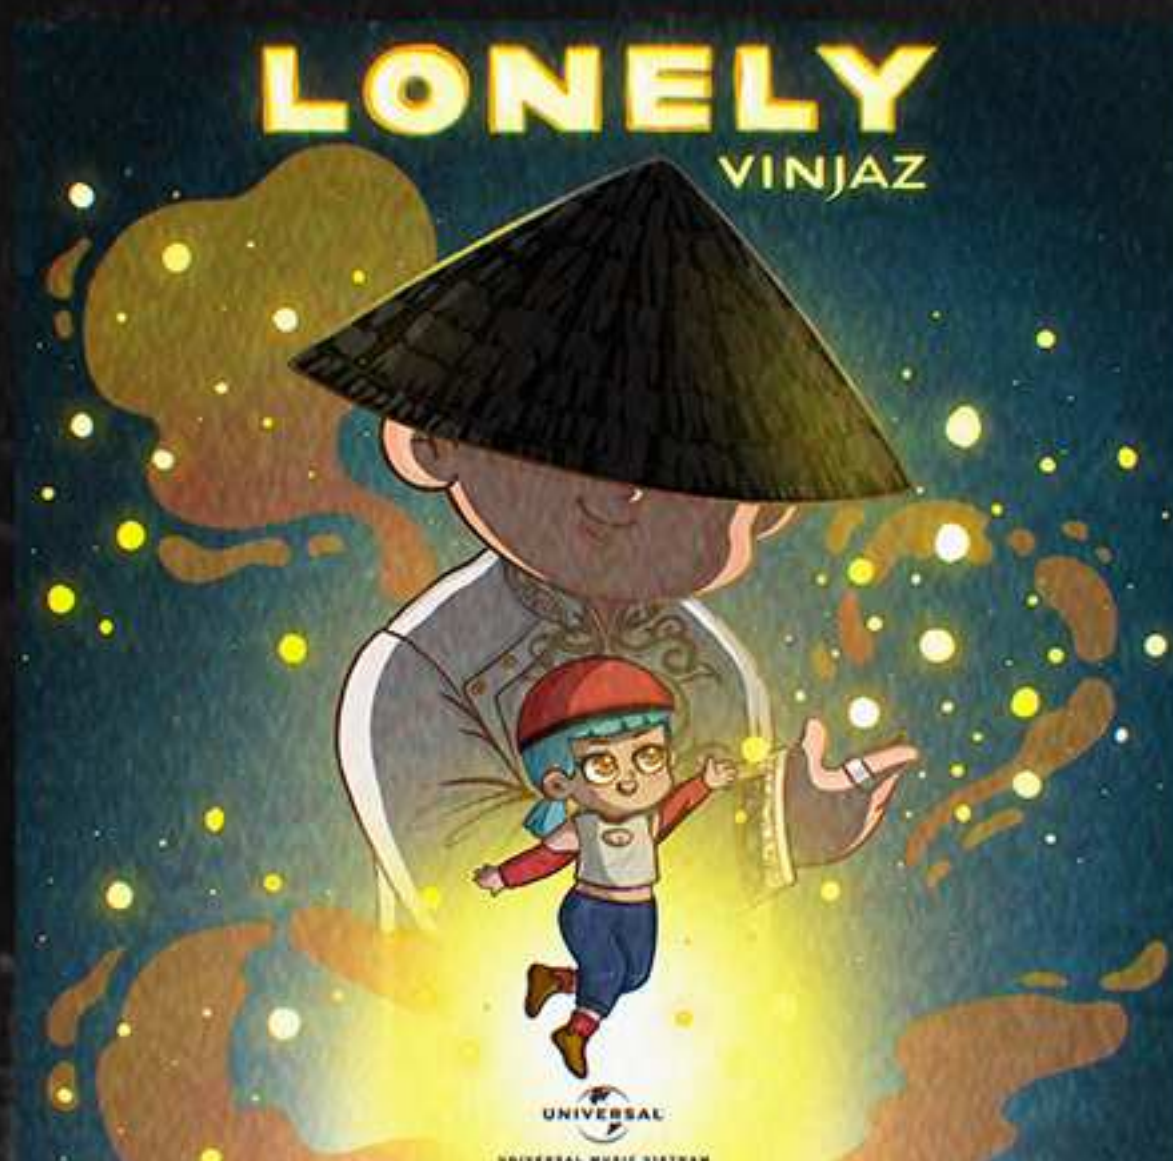

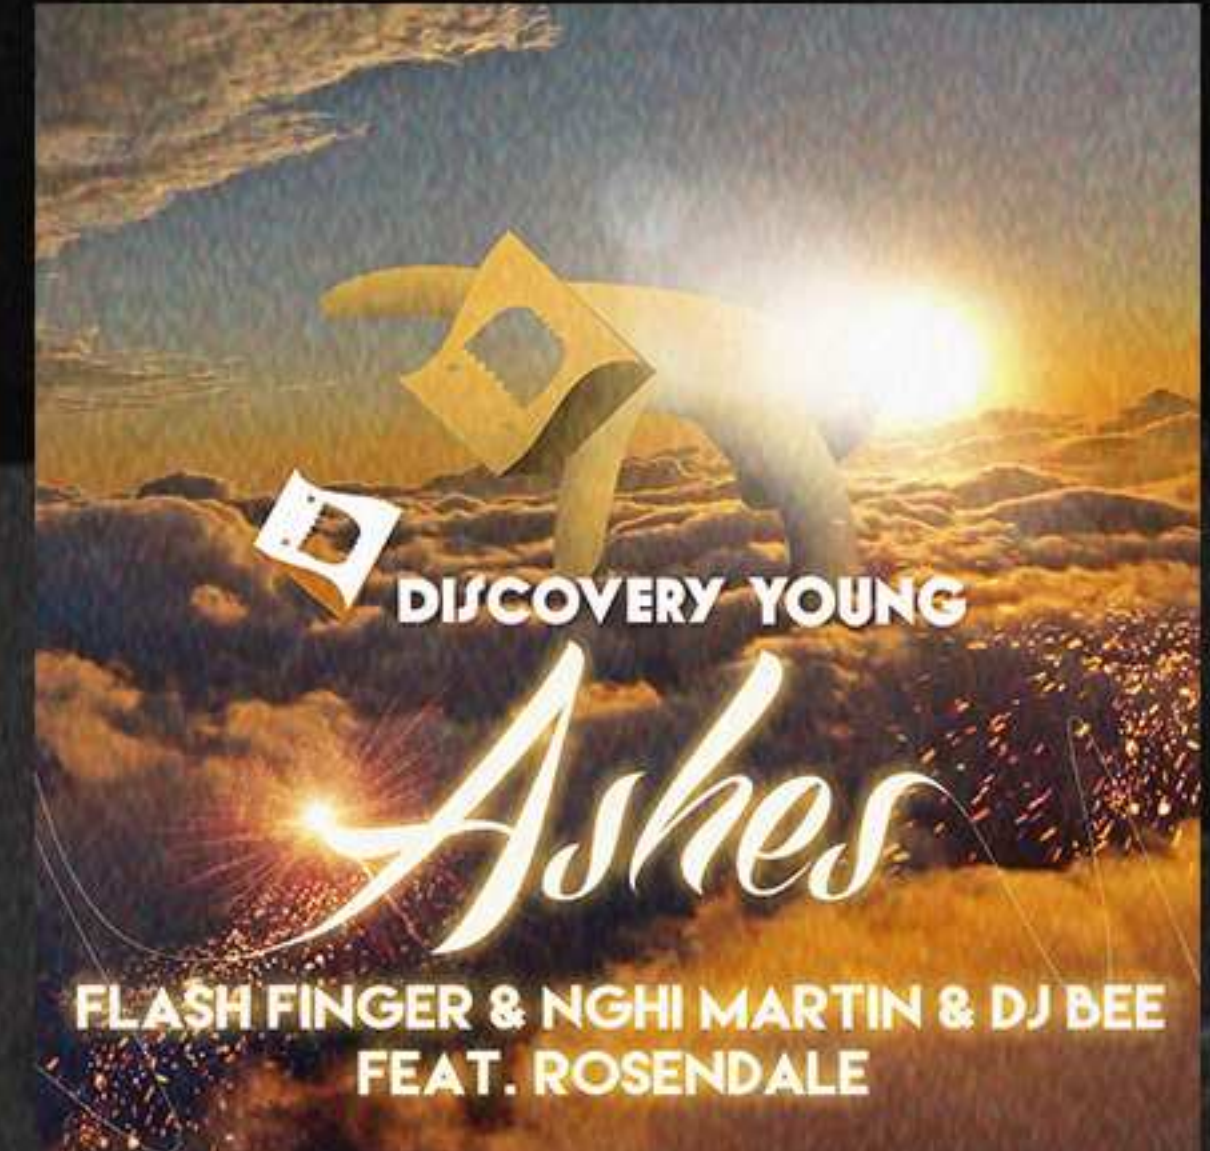

The rise of VINJAZ as a young boy from the city of Ho Chi Minh, Vietnam into a ripened international super-heavyweight has become an inspiring tale for all.

Coming full circle from a dream to reality of becoming an international DJ, we can be assured that VINJAZ still has a lifetime of achievements ahead of him.
